

The Mining Justice Action Committee of Victoria Presents

# IMPERIAL CANADA INC.

## Mining, Justice and Censorship

**Tuesday Feb 26, 2013 from 7:00 pm to 9:00 pm**

6:30 pm Imperial Canada Inc. is available for sale

**Central Library Meeting Room at 735 Broughton St.**

**Free Admission**

Alain Deneault, author of **Imperial Canada Inc. - Legal haven of choice for the world's mining industries**, will be the keynote speaker in this evening's discussion about the global consequences of Canada's complicit relationship with resource extraction industries and the use of legal and political pressure to censor its critics.

Chandu Claver (Human rights activist), Kevin Williams (Publisher, Talonbooks), and Rob Wipond (Investigative journalist) will also participate in the event.

The evening is sure to raise new questions for us on Canada's role in the mining industry, both domestically and globally.

**Cosponsored by:**

CUPE VIDC International Solidarity Committee, 410 & 50, Central America Support Committee, The Barnard-Boecker Centre Foundation and Focus Magazine
